9. [REDACTED] (DFM) LIAISON Called John Elliff, Senate Select Committee on Intelligence staff, to inform him the Director could appear on 19 July before the Senate Select Committee on Intelligence on S. 1566, the Electronic Surveillance Bill. Elliff said the Committee had formulated its plans for the hearings more completely and now wanted open sessions with the Attorney General on 19 July and the Director on 20 July. I told Elliff I thought the Director would be unable to appear on 20 July and he then suggested 21 July. Elliff also said the Committee wanted an executive session with CIA representatives on 27 July. Elliff said this need not be the Director but the Committee needed someone at this hearing who could discuss the basics of operations and the impact of the legislation.
